

# Creating the leaders of tomorrow with 21st-century skills.

## PHONICS

Phonics is the method of teaching reading, writing & speaking using the sounds produced by a letter or letter combinations. It is essential to help children who are just beginning to read, decode unfamiliar words themselves.

# ► CURRICULUM | NURSERY TO GRADE 3

## LEARNING THE LETTER AND SOUND

- Learning the 42 letter sounds and digraphs such as sh, th, ai and ue
- Learning in a fun multisensory way using stories and action

## LEARNING LETTER AND FORMATION

- Feel the letter formation
- See the letter formation
- Write the letter in the air
- Learning to hold a pencil in a correct way (such as Tripod' grip and 'Froggy legs' movement)

## BLENDING

- Blending harder words with digraphs and consonant words
- Phonological Awareness
- Hearing out the sounds
- Simple Dictation
- Independent Writing

## IDENTIFYING SOUNDS IN WORDS

- Understanding of letter sounds (for e.g. the word 'Fish' has four letters but only three sounds, f-i-sh)
- Learn rhyming games, poems, and Jingles to help tune the ears to the sounds in words.

## TRICKY WORDS

- Learn tricky words: for e.g. Look, Cover, Write and Check: Look at the word to see which bit is tricky, Cover the word over and see if the child can write it correctly, and check to make sure
- Say it as a sound (for e.g. the word was is said "wass", to rhyme with mass)
- Learning of Mnemonics (for e.g. laugh – Laugh At Ugly Goat 's Hair)

# ► CURRICULUM | NURSERY TO GRADE 3

# ▶ LEARNING OUTCOME

At Cedarwood, we use a multisensory approach considering the brief attention span of young learners. This course trains your child to identify 42 letter sounds which help them learn almost any word. Games, music, art & crafts, and parent-child bonding activities are a big part of our lesson plans to ensure the active engagement of your child.

- Enhances reading ability of the kid
- Improves pronunciation
- Develops reading habit in the kid which further builds patience and concentration in them
- Enhances vocabulary
- Lays a foundation for correct spellings
- Improves writing skills

# ► CEDARWOOD ADVANTAGE

## QUALITY OF TEACHERS

- Promoting a love for learning
- Experienced teachers
- Trained to customize their teaching methodology to cater to all types of learners

## PEDAGOGY

- Regular assessments
- Regular review and correction of every class and home assignment
- Regular parental feedback

## A SOPHISTICATED LEARNING SYSTEM

- Student Dashboard
- Class Schedule
- Live class recordings
- Learning Materials

## TESTIMONIAL

When we joined the Phonics program with Cedarwood, my daughter Yugansha was not even clear about the sounds of the letters but now after 3 months, she is able to read many many words which is a delight for me too.

- Gargi Borate, Mother
