

Cedarwood™
AFTERSCHOOL PROGRAM

PHONICS

Phonics is the method of teaching reading & writing using the sounds produced by a letter or letter combinations. It is essential to help children who are just beginning to read, decode unfamiliar words themselves.

METHODOLOGY | 4 - 6 YEARS

LEARNING THE LETTER AND SOUND

- Learning the 42 letter sounds and digraphs such as sh, th, ai and ue
- Learning in a fun multisensory way using stories and action

LEARNING LETTER AND FORMATION

- Feel the letter formation
- See the letter formation
- Write the letter in the air
- Learning to hold a pencil in a correct way (such as Tripod' grip and 'Froggy legs' movement

BLENDING

- Blending harder words with digraphs and consonant words
- Phonological Awareness
- Hearing out the sounds
- Simple Dictation
- Independent Writing

IDENTIFYING SOUNDS IN WORDS

- Understanding of letter sounds (for instance, the word 'Fish' has four letters but only three sounds, f-i-sh)
- Learn rhyming games, poems, and the Jolly Jingles to help tune the ears to the sounds in words.

TRICKY WORDS

- Learn tricky words: (For instance, Look, Cover, Write and Check: **Look** at the word to see which bit is tricky, **Cover** the word over and see if the child can **Write** it correctly, and **Check** to make sure)
- Say it as a sound (for instance: For instance, the word was is said “wass”, to rhyme with mass)
- Learning of Mnemonics (for instance: For instance, laugh – Laugh At Ugly Goat 's Hair)

TESTIMONIAL

When we joined the Phonics program with Cedarwood, my daughter Yugansha was not even clear about the sounds of the letters but now after 3 months, she is able to read many many words which is a delight for me too.
