AFTERSCHOOL PROGRAM

CREATIVE WRITING

Creative writing is a form of artistic expression that empowers children to pen down their imagination through the power of words. It helps to spark their imagination and hone their writing skills.

HOW OUR CLASSES WORK

Cedarwood™
AFTERSCHOOL PROGRAM

Step by step process to help young writers craft stories that grab the attention of the reader.

Brainstorming and creating character settings

Discussing and replacing boring words with interesting vocabulary

Writing short stories or anecdotes

Editing using various tools like codes, mnemonics for capitalization

TESTIMONIAL

I happened to see Uttara's creative writing notebook, she had beautifully written the incidents that happened in her life and reading that made me cry. I am glad that she enjoyed her journey during the creative writing classes with Miss Ekta. I really want to say a big thank you for everything that you have taught her.

- Vidya Menon, Mother
